FIX OUR FUTURE.
FUND EDUCATION

NASUWT THE TEACHERS' UNION

BRIEFING

NASUWT ORGANISING CALENDAR

AIMS

We want to create a unified campaign across England based around the issue of funding. You will know that press coverage as a result of the government letter on 16 September has created confusion around funding. NASUWT's assessment of the facts demonstrates there is no new government money.

There has been an improvement to school funding in some cases as a result of altered costs in the Local Government Pension Scheme, but these changes have been known since December 2025.

Therefore, thousands of schools are still facing an unfunded pay rise and the funding crisis is not over.

CAMPAIGN STRUCTURE

Phase one: National briefing

Phase two: Meet in your school

Phase three: Collectively track

Phase four: Collective decision

CALLS TO ACTION

Reps/Workplace Contacts/Assistant Reps/Better Deal Volunteers

They will be asked to:

- attend our national online briefing;
- hold a workplace meeting using our model presentation on pay and funding;
- agree with their colleagues how to track the impacts of funding in their school (this could be loss of PPA time, buying resources with their own money, etc.);
- hold a follow-up meeting to share the impact of that tracking and consider some action they could take in their school (whether that be a model letter to the headteacher, governors or MAT CEO) to raise concerns.

FIX OUR FUTURE. FUND EDUCATION

NASUWT THE TEACHERS' UNION

Members without a Rep

Non-activist members in schools without an active Rep will only be asked to engage in the Organising Calendar actions if they attend the national briefing. Then they will be asked to:

- hold a workplace meeting using our model presentation on pay and funding;
- agree with their colleagues how to track the impacts of funding in their school (this could be loss of PPA time, buying resources with their own money, etc.);
- hold a follow-up meeting to share the impact of that tracking and consider some action they could take in their school (whether that be a model letter to the headteacher, governors or MAT CEO) to raise concerns.

Local and Negotiating Secretaries

Secretaries will be the key point of contact for workplace activists. In every email to activists they will be signposted to direct any questions to their Secretary. Secretaries will be asked if they will run activist briefings in their district.

Communications grid:

Date	Audience	Mode	Call to action
Morning of Thursday 29 October	National Executive Members	Email	Briefing
Evening of Thursday 29 October	All members in state schools	Email	Attend briefing
Tuesday 3 November	All members in state schools	Email and text	Attend briefing
Thursday 5 November	Secretaries	Email and text	Here is the model presentation, support reps
Thursday 5 November	All reps and members without reps who attended briefing	Email	Run workplace meeting
AUTOMATED – from 12 November*	Those yet to tell us they would run a meeting	Email and text	Run workplace meeting
AUTOMATED – from 19 November*	All those that told us they would run a meeting	Email and text	How did meeting go?
Thursday 3 December	All those that ran meetings	Email	Have you taken any action?

*These emails will be automatically sent to activists once they complete the action they have been sent. Just be aware that if they complete the action to hold a meeting later, they will receive the automated emails slightly later than others.
