

8 January 2024

Dear Member

I wrote to you on Monday 19 April 2021 advising you of the result of the industrial action ballot in the trade dispute between the NASUWT and Further Education (FE) Colleges in Northern Ireland. I wrote again in May and October 2021 and on 1 March 2023, giving notice of industrial action in the form of continuous action short of strike action. I wrote further on 3 April 2023, giving notice of discontinuous strike action. I wrote again on 20 November 2023 giving notice of half a day of discontinuous strike action which took place on 29 November 2023.

I now write to give notice, in accordance with Article 118 of the Trade Union and Labour Relations (Northern Ireland) Order 1995, of further industrial action of a day of strike action.

The strike action will be discontinuous and take place on:

Thursday 18 January 2024

For the avoidance of doubt, the continuous action short of strike action that commenced on Thursday 9 March 2023 remains in place and will remain in place apart from when the strike action you are now being notified of takes place.

Thank you for your solidarity and support during what I know has been a difficult period for you all.

Yours faithfully

Dr Patrick Roach
General Secretary
