

MEMBERS' PAY UPDATE

The Extended Joint Chairs of the Scottish Negotiating Committee for Teachers (SNCT) met on 2 September to receive an update from COSLA. The employers have stated that they are not in a position to make an improved pay offer for this year. Therefore, the offer of 1.22% across the board for all those covered under SNCT conditions remains.

The Teachers' Side of the SNCT has expressed significant frustration with this position following months of negotiations. The NASUWT views the offer as unreasonable, being well below the current CPI inflation figure of 2.1%.

The next meeting of the COSLA leaders will be on 24 September: we do not anticipate further progress until after that date.

No option has been discounted to obtain a fair pay award for members. In the event that we enter into a dispute, it will be essential that we have up-to-date personal and workplace details for all members.
