

To all NASUWT Representatives/Contacts

Dear Colleague

NASUWT Notice Board Pack

Please find enclosed your copy of the NASUWT Notice Board Pack.

The workplace notice board is a vital tool in helping to:

- recruit and organise members effectively in the workplace;
- keep NASUWT members up to date and informed.

The NASUWT produces regular reports, bulletins, campaigning posters and flyers, all of which should be displayed in your workplace on the NASUWT notice board.

Keeping an up-to-date notice board shows existing members that the NASUWT is actively supporting them. It also shows potential members that the NASUWT is actively working on behalf of its members and all other teachers and school leaders.

The NASUWT is entitled to notice board space in all workplaces.

This NASUWT Notice Board Pack is a resource to support you in ensuring that the NASUWT notice board is attractive, informative and regularly updated with NASUWT information.

The "What's in the Notice Board Pack?" leaflet suggests how the contents of the pack can be used.

To order further Notice Board Packs, e-mail rc-scotland@mail.nasuwt.org.uk or phone 0131 226 8480.

Thank you for your continuing support and work on behalf of NASUWT members.

Best wishes

Chris Keates (Ms)
General Secretary
