1. Context

- 1.1 Colleges recognise that the nature of their work means that on occasions managers will be needed to work outside recognised working hours. However, colleges also recognise their duty to protect the health and safety of managers by ensuring they do not work excessive hours, and that any additional hours are agreed in advance and monitored appropriately.

2. Status

- 2.1. This agreement has been jointly agreed between the trade unions and employers in the Wales Negotiating Committee Further Education.
- 2.2. This agreement is for use by individual Colleges in order to develop policy and procedure for the management of TOIL for staff employed in accordance with the terms and conditions set out in the national contract for managers. In determining local policy, normal consultation arrangements should apply with recognised trade unions in accordance with the terms set out in this collective agreement.
- 2.3. This document was impact assessed at a national level to assist Colleges in meeting the requirements of Equality legislation and the Welsh Language Act. The Equality Impact Assessment is detailed in Appendix 1. It is for each College to undertake their own equality impact assessment at local level.

3. Scope

- 3.1. This agreement applies to all managers employed in accordance with the terms set out in the national contract for managers.
- 3.2. This agreement aims to promote fairness and equality and provide guidance to managers when hours are worked in excess of recognised contractual hours.

4. Definition of TOIL

- 4.1 TOIL is a working arrangement, within which managers are allowed to take time off in compensation for hours worked beyond the normally recognised working day (dependent upon their role/contract). The normal working week is a 37 hour week for full time staff
- 4.2 Toil applies to additional periods of work (specifically agreed in advance, with their manager) either before or after the normal working day. It does not apply to lunch periods. Managers must encourage staff to take the appropriate lunch break each day. If lunchtime meetings are necessary, then staff should be allowed to take a break either before or after the meeting, by mutual agreement.

5. Policy requirements

The aim of this agreement is to enable colleges to develop policy to meet the following requirements:

- 5.1 TOIL should be accrued as an exception rather than as a routine occurrence as most work duties should be carried out as part of a managers normal contractual working hours. Individual work patterns should be agreed locally with line manager (s) where this requires regular / weekly evening working for example.
- 5.2 Accrued TOIL will be taken back on a like for like basis. This will include any TOIL accrued for weekend working.
- 5.3 The minimum block of time that can be recorded for TOIL purposes is 30 minutes.
- 5.4 TOIL should not be accrued on a regular basis. However, where a member of staff is working regular TOIL hours for a specified period and by agreement with their line manager, they must keep a shared TOIL record which records all TOIL worked and can be accessed by their line manager. Banked TOIL should be taken at a time mutually convenient to the staff member and department and with agreement from the line manager.
- 5.5 TOIL will not normally be accrued for work undertaken at home, unless it is agreed in advance by the line manager.
- 5.6 Any TOIL accrued should be taken within (To be agreed by the Principal and be College Wide) or will be lost. In very exceptional circumstances some TOIL may be carried over to the following (to be agreed by the Principal and be College Wide) but must be agreed with Human Resources
- 5.7 No more than 2 days (15 hours or pro-rata for part time staff) of TOIL can be taken at any one time unless agreed by exception or up to 5 days if taken during the holiday periods, subject to line management agreement.
- 5.8 On termination of employment all TOIL should be taken prior to an employee leaving, however, where this is not possible and in exceptional circumstances, untaken TOIL will be paid.
- 5.9 Where an early start and / or late finish is required during the term time to facilitate a necessary course related trip and therefore, extending the working day. TOIL agreed in these circumstances may be banked to be taken at a time mutually convenient.

6. Management of Time off in lieu

- 6.1 All TOIL arrangements are subject to approval in advance by the Line Manager, who will co-ordinate TOIL to ensure that there is always adequate cover for all activities within the department.
- 6.2 TOIL is to be taken at a mutually agreeable date, outside of contact time and admin weeks wherever possible during the next available holiday period or earlier

e.g. where a request for Leave of absence with pay (e.g. to attend hospital appointment) is submitted, staff would be expected to use any accrued TOIL in the first instance.

- 6.3 Employees are responsible for recording their own TOIL and should be recorded [individual college to insert name of system to be used] and this should be monitored by the line manager. Any fraudulent or false records presented in respect of TOIL may be treated as gross misconduct under the College's Disciplinary procedure.

Monitoring and review

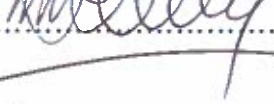

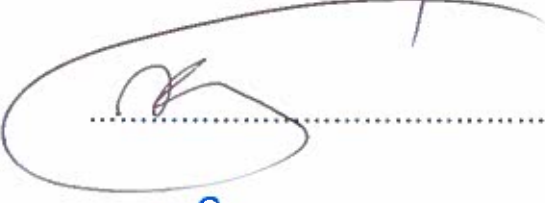

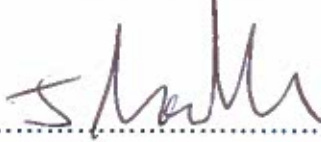

This agreement will be monitored and reviewed every three years by the Wales Negotiating Committee Further Education.
