

PAY UPDATE

The NASUWT having met with representatives of the Sixth Form Colleges Association (SFCA), the sixth-form colleges' national body, on several occasions between September 2020 and January 2021, notes the improved pay offer made on January 7 2021 as set out below.

- 2% from September 2020 then a further 1.25% from May 2021, so that the increase by May 2021 would be 3.25%.

The NASUWT, as part of the staff side, has accepted the offer but as an independent Trade Union has written to the SFCA to indicate receipt of the revised offer expressing concern that it fails to not only address parity on many points of the scale but also fails to address the continuing real-terms pay cuts teachers have experienced since 2010.
