

## 2021 Jersey Pay Award

Following further meetings with the employer, the States Employment Board (SEB) has issued a revised offer in respect of the 2021 teacher pay award. Following representations made by the NASUWT, the offer is now for a 0.9% consolidated pay award, effective from 1 January 2021.

This offer represents an improvement on the previous offer of a 0.9% non-consolidated increase, and now represents an increase in line with Retail Prices Index (RPI) inflation. However, this is a stand-still offer, which does not address the previous erosion. The SEB has insisted that no other groups will receive more than this.

The SEB does not intend to impose the offer, but is inviting unions to accept or reject it.

The NASUWT is keen to hear the views of members with regard to this pay offer, and urges all members to respond via email to: [nasuwt@mail.nasuwt.org.uk](mailto:nasuwt@mail.nasuwt.org.uk). Your responses will help inform the NASUWT's formal response to the offer. All comments should be made by Friday 26 February 2021.
