Dear Member

Further to the instruction issued on 12th February 2019 to take strike action on 26th February 2019, I am authorised by the NASUWT National Executive to give you notice of further industrial action.

The industrial action is intended to be continuous and will consist, in the first instance, of action short of strike action, in that NASUWT members will refuse to cover for absence, including covering split classes.

**Included with this letter is guidance on the implementation of the action.**

This continuous action will commence on **Tuesday 23rd April 2019.**

The NASUWT remains committed to seeking to resolve the current dispute through constructive negotiation.

Yours sincerely

Chris Keates (Ms)  
**General Secretary**
